

PopsLeb Design System

The visual language for a fintech brand built to help merchants pay smart and grow fast.

VERSION 1.0 ▪ JULY 2026

■ Logo & Usage

The mark's negative-space notch is the signature detail — carry it into UI as a recurring accent.

Icon mark — square placements

Primary lockup — on dark

■ Clearspace & Misuse

DO

Keep clearspace equal to the height of the "P" on every side. Maintain the navy/sky two-tone.

DON'T

Don't recolor, stretch, add drop shadows, or crowd the mark with other elements.
